

TREDT Trading Central House  
Company Estate, Tsarland

Dated: 22/12/2024

To the People of Vizlandia,

I deeply regret the Vizlandia Massacre and the immense pain caused by the Company Administration's failures. This tragedy, marked by negligence and misuse of authority, is a stain on our conscience. I humbly apologize to the victims, their families, and all affected communities. We pledge justice for those responsible, reparations to rebuild lives, and reforms to prevent such horrors in the future. I take full responsibility for the harm caused and commit to ensuring transparency and fairness in governance. May this apology mark the start of healing and a future built on trust and accountability.

Sincerely,

Soumya D. Das

Governor General of TREDT Trading Company

Former Governor of State of Vizlandia of the Company Administration

Former Gov. Gen. of State of Vizlandia
