

TREDT LEGISLATIVE HOUSE

Office of the President of Union

Declaration No. 12/COL/2025

Issued Under the Authority of the Colonisation Act, 2025

Date: 7th April, 2025

Declaration of Colonial Authority and Entrustment of Powers

By the supreme authority vested in the **TREDT Union** and in execution of the **Colonization Act, 2025**, this declaration is hereby issued to grant **TREDT Industries Inc.**, henceforth referred to as **The Colonial Company**, the following sovereign powers and rights in relation to the governance, administration, and expansion of the Colonial Territories of the Union.

Article I: Recognition as a Colonial Instrument

TREDT Industries Inc. is henceforth recognized as a **Chartered Colonial Company of the TREDT Union**, authorized to represent the will of the Union in overseas and colonial territories and to act as the civil and military authority therein.

Article II: Right to Colonial Expansion and Military Occupation

The Colonial Company is hereby granted:

- The **right to invade and occupy** unclaimed or foreign territories in the name of the TREDT Union.
- The **right to establish colonial forts, settlements, and trading ports** under the flag and protection of the Union.
- The **right to raise private colonial security and naval forces**, under the oversight of the Union Defense Council.

Article III: Judicial Authority

- The Colonial Company shall have the **right to establish and operate colonial courts of law**.
- **Judges shall be appointed solely by the Council of States (Upper House of the TREDT Union)**, upon nomination by the Colonial Company Governor-General.

- These courts shall have full jurisdiction over civil, criminal, and commercial matters within the colonies.

Article IV: Monetary Authority

The Colonial Company shall have:

- The **exclusive right to mint and circulate currency** within the colonial territories, in denominations sanctioned by the Treasury of Union.
- All minted currency must bear the insignia of the TREDT Union and be backed by the gold and mineral reserves secured by the Company.

Article V: Legislative Powers

- A **Colonial Company Legislative Assembly** shall be constituted, composed of Company officials, regional representatives, and Union observers.
- This Assembly shall have the **right to enact local laws**, subject to approval by the Governor-General.
- All laws shall align with the Constitution and General Will of the TREDT Union.

Article VI: Right to Governance

TREDT Industries Inc. is hereby granted:

- **Full administrative control over colonial territories**, including taxation, policing, infrastructure, trade regulation, and local governance.
 - The power to appoint a **Governor-General** to oversee colonial affairs, subject to ratification by the Colonial Legislative Assembly.
 - The authority to form subordinate provincial councils, departments, and commissions as necessary for colonial administration.
-

Article VII: Limitations and Oversight

- All actions taken by the Colonial Company shall remain **subject to review by the TREDT Union Council of States** and **the Office of the President of Union**.
- The Union reserves the right to **revoke or amend** any of the powers granted herein through future acts of legislation.

In Witness Whereof, this Declaration is issued with the Seal of the Union, under the signature of:

His Most Honorable President of Union
by Order of the Union Cabinet and with Assent of the Upper House (Council of States)
