

IMPERIAL COURT OF JUSTICE OF TREDT

Declaration of Dissolution of the House of TREDT Legislation

9th February 2024

By the authority vested in the Imperial Court of Justice of TREDT, it is hereby declared that the members of the TREDT Legislative House are dissolved forthwith, effective immediately upon the issuance of this declaration.

The Imperial Court of Justice of TREDT, acting in accordance with its solemn duty to uphold the principles of governance, justice, and the well-being of the members, has diligently observed the prolonged absence and neglect of duty exhibited by the members of the TREDT Legislative House.

It has been noted with grave concern that the members of the Legislative House have failed to convene and fulfil their legislative responsibilities for a period exceeding five consecutive months, thereby depriving the members of TREDT of their fundamental right to representation and effective governance.

In light of this egregious dereliction of duty and the consequent paralysis of the legislative process, the Imperial Court of Justice of TREDT, in the exercise of its inherent authority, hereby decrees the dissolution of the TREDT Legislative House and the termination of the mandates of its members.

This decision is made in accordance with the laws and statutes governing the governance of TREDT, which mandate the prompt and efficient functioning of the legislative branch for the welfare and prosperity of the realm and its inhabitants.

Henceforth, all legislative powers vested in the TREDT Legislative House shall be temporarily assumed by the Imperial Court of Justice, with the primary objective of ensuring the continuity of governance and the protection of the rights and interests of the members of TREDT.

Given under our hand and seal on this 9th Day of this 2nd Month on the year 2024, by the Imperial Court of Justice of TREDT we hereby dissolve this House and refresh the House with new members.
