Constitution of TREDT Union

Chapter 1 – Union and its States

Part 1 – The Union

Article I: Name and Sovereignty

1.1. The name of this Union shall be "The Royal Ender Dragon Team Union," that is the "TREDT Union."

1.2. TREDT Union shall be a sovereign entity, governing all affiliated bodies and operations within its jurisdiction. It shall be referred to as the "TREDT Union" or "The Royal Ender Dragon Team's Union of States" in any Official documents.

Part II – The States

Article I: Admission and Establishment of States

3.1. States may be admitted to the Union by executive orders of the Union or by annexation if necessary.

3.2. Each state shall have its own legislature as framed by this Constitution.

3.3. The process for admitting new states shall be defined by law, ensuring fairness and adherence to the principles of the Union.

3.4. No states shall succeed the Union, on their own or by any Order by the any Union official, even the President of Union.

Article 4. Special Status of States

4.1. Special status may be granted to states in need to address unique challenges or requirements.

4.2. The capital of the Union shall permanently hold special status to ensure its development and maintenance as the administrative and political centre of the Union.

4.3. Criteria for granting special status shall be defined by law, ensuring transparency and accountability in the process.

4.4. States may be granted Special Status by Presidential Order, Parliamentary Order or Royal Charter if specified in it.

4.5 Criteria for Royal Charter Special Status:

- a) The State shall have the Union Recognition in its Charter.
- b) The State shall have a physical land on the Server (TREDT SMP).
- c) The State shall have a "Royal" Charter granted by the Union itself.

If all the above conditions are met, then the Body can become a State and be granted Special Status.

Chapter 6 – Union Penal Code

Article I: Definition of Offenses

Treason (ONLY Part of State Secession)

Any Union Official or Union Member who, by act or intent, seeks to dissolve or disrupt the integrity of the Union by promoting, advocating, or attempting the secession of any state from the Union, shall be deemed guilty of treason.

Punishment:

Upon conviction of treason, the offender shall face severe penalties, which may include:

Permanent or Temporary expulsion from the Union.

Loss of any official position or office held within the Union.

Fines, asset forfeiture, and other sanctions as deemed appropriate by the court.

Royal Charter of TREDT Trading Company

Article II: Representative of the Union Acknowledging the TREDT Trading Company as a linchpin in the economic fabric of the Union, this Charter hereby formally designates the Company as the veritable representative of the Union in matters germane to trade, commerce, and economic diplomacy. This elevation empowers the Company to negotiate and consummate international trade agreements on behalf of the Union, serving as the instrumental conduit for economic collaboration and diplomatic accord.

In undertaking this sacrosanct representation, the TREDT Trading Company is mandated to align its pursuits with the overarching foreign policy and strategic imperatives articulated by the Union Government. This collaborative symbiosis ensures that the economic aspirations of the Company coalesce seamlessly with the broader objectives of the Union, fortifying the nexus between economic prosperity and national objectives.

Chapter 8: President and Cabinet

Part III: Powers and Rights

Article 4. Presidential Powers

4.2. Martial Law:

The President has the right to declare martial law, granting full powers to the President to restore order and security. Declaring will ignore the Union Parliament and every Legislative Assemblies. There shall be no approval or vote needed to invoke this right by the President. The Martial Law shall have a default period of 7 Days but can be extended by the President on the approval of TREDT Legislative House.
