

TREDT LEGISLATIVE HOUSE ACTS OF NOVEMBER

House of the Representatives of Members of Union

NOVEMBER 22, 2024

TREDT LEGISLATIVE HOUSE & HOUSE OF THE REPRESENTATIVES OF MEMBERS OF UNION
New Delhi, Delhi 110019

Election Regulation Amendment Act, 2024

Preamble

Whereas the need for a transparent, impartial, and unified electoral process is essential for the effective functioning of the Union and its constituent states, this amendment establishes the "Union Election Commission" (UEC) to oversee, operate, and announce the results of various elections as defined hereunder.

Article I: Establishment of the Union Election Commission (UEC)

I. Creation of the Union Election Commission

(a) There shall be established a body known as the "Union Election Commission" (UEC) for the purpose of overseeing elections in the Union and the States, and ensuring the conduct and announcement of electoral results for the following elections:

- (1) Presidential Elections
- (2) Elections for Governor of States
- (3) Elections for State Assemblies

II. Composition of the Union Election Commission

- (a) The Union Election Commission shall consist of a Chairman and a body of members appointed by the President of the Union.
- (b) The number of members shall be decided by the President based on the needs of the electoral system.
- (c) The Chairman shall be responsible for ensuring the fairness, transparency, and impartiality of the electoral process.

III. Powers and Functions of the Union Election Commission

- (a) The UEC shall have the power to:
 - (1) Supervise and oversee the organization and conduct of all elections within the Union and states.
 - (2) Ensure compliance with the procedures defined in this Act.
 - (3) Announce the results of elections and resolve electoral disputes.
- (b) The UEC shall also establish rules and regulations to govern the conduct of elections.

Article II: Presidential Election Process

I. Timing of Presidential Elections

- (a) The Presidential Elections shall take place on the 16th of April every year.

II. Eligibility to Vote

- (a) Eligible voters in the Presidential Election shall be all members of the Union, as defined by the Constitution.
- (b) Voting may occur through two approved methods:
 - (1) By mail, through physical ballots,
 - (2) Through the Official Election Poll in the Union Group.

III. Voting Methodology

- (a) No voter may vote on behalf of another person, except under special approval from the Union Election Commission.
- (b) Special approval to vote on behalf of another person may be granted under extraordinary circumstances, provided the voter is unable to cast their ballot personally.
- (c) The UEC shall provide clear guidelines on the circumstances in which special approval is granted.

IV. Winning Criteria

- (a) A candidate shall be declared the winner of the Presidential Election if they secure at least 42 votes out of the 64 possible votes.
- (b) In the event of a tie, the Union Election Commission shall determine the method for resolving the deadlock.
- (c) The results shall be announced immediately following the conclusion of the voting process.

Article III: Elections for Governor of States

I. Timing of Governor Elections

- (a) The Elections for Governor of States shall take place on the 16th of April every year.

II. Eligibility to Vote

- (a) Each state will conduct its own election for Governor, with the participation of eligible voters as defined by state law.

III. Winning Criteria

- (a) A winner in the Governor's election shall be determined by securing a majority of two-thirds ($2/3$) of the total population of the respective state, as recorded in the year of the election.
- (b) The population data used in the calculation shall be sourced from the official records of the Union or state government.
- (c) The Union Election Commission shall oversee the accuracy of the population data and ensure the fairness of the election results.
- (d) A winner in the Presidential election shall be determined by securing a majority of two-thirds ($2/3$) of 64 elector(s) of which 7 will of Present Members of Union and other 57 will be NPC's there vote shall be decided by an AI with no bias whatsoever.

IV. Supervision of the Election

- (a) The Union Election Commission shall supervise the conduct of each state's Governor Election to ensure compliance with the principles of fairness and transparency.
- (b) The UEC shall announce the results for each state's Governor Election after the votes have been tallied.

Article IV: Elections for State Assemblies

I. Timing of State Assembly Elections

- (a) The Elections for State Assemblies shall take place on the 16th of April every year.

II. Voting Process

- (a) The elections for State Assemblies shall be conducted through the NPC (Non-Player Character) voting system.
- (b) Each NPC shall cast one vote for a candidate in their district, selected from a pre-defined list of candidates.

III. AI Voting System

- (a) The voting system for State Assemblies shall be managed through an Artificial Intelligence (AI) system designed to simulate realistic scenarios and situations within the state.
- (b) The AI system shall input the current state of affairs in the respective state, including economic, social, and political conditions, to ensure that the voting process is unbiased and reflects the will of the electorate.

IV. Ensuring Fairness

- (a) The Union Election Commission shall ensure that the AI system is free from manipulation or bias.
- (b) The AI shall be regularly audited by independent bodies to ensure its integrity.

V. Announcement of Results

- (a) The Union Election Commission shall announce the results of the State Assembly Elections after the AI system has completed the voting process and the votes have been counted.
- (b) The results shall be communicated promptly to the public.

Article V: General Election Procedures

I. Simultaneous Elections

- (a) All elections (Presidential, Governor, and State Assembly) shall be held on the 16th of April each year, without exception.
- (b) The elections shall be conducted in parallel to ensure uniformity and consistency in the electoral process.

II. Supervision of Elections

- (a) The Union Election Commission shall oversee the conduct of all elections and ensure the implementation of proper procedures for the voting and counting processes.
- (b) The UEC shall ensure that all elections are free from irregularities, fraud, or manipulation.

III. Announcement of Results

- (a) The Union Election Commission shall announce the results for the Presidential, Governor, and State Assembly elections within 24 hours of the conclusion of the voting.
- (b) Results will be announced on the Official Election Poll platform and disseminated through other official channels.

Article VI: Miscellaneous Provisions

I. Regulations and Guidelines

- (a) The Union Election Commission shall have the authority to promulgate additional rules, regulations, and guidelines necessary for the conduct of elections.
- (b) Any amendments to these rules or the Election Regulation Amendment Act, 2024, shall require a two-thirds majority vote in the legislative body.

II. Resolution of Electoral Disputes

- (a) The Union Election Commission shall have the authority to resolve disputes arising from the electoral process, including but not limited to challenges regarding voting, eligibility, and election results.
- (b) In the event of a dispute, the Commission may call for a recount or other remedial actions as deemed appropriate.

III. Implementation of the Act

- (a) The Union Election Commission shall establish a timeline for the implementation of this Act.
- (b) Any amendments or revisions to the electoral procedures shall be enforced beginning from the subsequent election cycle.

Article VII: Electoral Card Implementation

I. Introduction of Electoral Card

- (a) The Union Election Commission (UEC) shall issue an Electoral Card to all eligible voters.
- (b) The Electoral Card will contain a unique identification number in the format "AAAANNAANN", where A represents an alphabet and N represents a number.

II. Design and Features of the Electoral Card

- (a) The Electoral Card shall include:
 - (1) The unique ID number.
 - (2) Voter's full name.

III. Issuance and Eligibility

- (a) The UEC shall issue the Electoral Card to all eligible voters, ensuring the integrity and security of the voter identification process.
- (b) The card will be mandatory for participation in all elections, including Presidential, Governor, and State Assembly elections.

Article VIII: Ratification

I. Approval by the Union Legislative Body

- (a) This Election Regulation Amendment Act, 2024, shall be ratified by a majority vote of the TREDT Legislative House.
- (b) The Act shall be considered ratified once the required majority is achieved in the House of the Representatives of Members of Union

II. Enactment and Commencement

- (a) Upon ratification, the provisions of this Act shall come into effect immediately or on the date specified by the Union Election Commission.
- (b) The Union Election Commission shall take all necessary steps to implement and enforce the provisions outlined in this Act, including the introduction of the Electoral Card system and the scheduling of elections as specified.

III. Transitional Provisions

- (a) Any necessary adjustments to existing electoral laws and systems shall be made to align with the provisions of this Act.
- (b) The Union Election Commission shall oversee the transition and ensure smooth implementation without disruption to ongoing electoral processes.
