Subject: Letter of Appointment.

Respected Sir,

I am writing this letter to you on behalf of the Company Administration to you, appointing you as our Lt. Governor for the Company. We welcome you with full open arms. Your salary according to the Company Charter is 10 Million Emeralds per month. While we don't agree to grant you 1000 shares of our company just like that as it violates the free trade and TUSEC Policies, we believe we can reach another agreement on that.

Unfortunately the Board of Directors and Company Jr. Writer's Boards are not happy with the request of 10% of the revenue of all projects, which I personally will disagree with you.

Other than that Welcome Aboard!

Thanking You,

Sincerely,

Hemang Chugh.
