Subject: Royal Trading Company's Introduction and Request for not removing Naved Khan and not ceasing the stocks given to Aaron S. Santhosh.

Respected Sir,

Your Excellency, this is to inform you that me and Aaron S. Santhosh have started a new Company named the "Royal Trading Company" and our first product to the members of the Union will be "Royal Coin" (like Bitcoin) and your Excellency there is a one thing that you are abusing your powers to remove Naved Khan that is Maulana Nawaz Ud Din Muhammad Al Rashid Khan III. If you are able to remove him from the Company I will right a letter on the behalf of Aaron and Naved to His Excellency, the President of Union, Ethan Joseph for your suspension or worse it can go to the Imperial Court of Justice of TREDT.

Thanking You,

Sincerely,

Hemang Chugh.
