Subject: Thanking You for Your Service to the Union.

Respected Sire,

On behalf of the entire Union administration and its members, I extend my deepest gratitude to you for your service as the President of the TREDT Union. But as this is a Democratic Union and holds elections, we may see you back. This term of presidency has seen many ups and downs in the Union, it has seen many uprisings, tensions, establishments, achievements, downfall and near dissolution of the entirety of the TREDT Union. It's been a journey, a long one. Once again thank you, Ethan, for your service to the TREDT Union. Ok signing off, new elections are coming and Ishaan Das will be standing as the presidential election nominee from the Company's Workers Party.

Thanking You.

Sincerely,

Soumya D. Das
Union Governor, New Delhi, Delhi
