Imperial Order for TREDT Legislative House

[24th April, 2024]

Preamble

We, the members of The Royal Ender Dragon Team's Union of States (TREDT), in pursuit of fostering unity, promoting governance, and ensuring the prosperity of our collective populace, hereby establish this Imperial Order to institute Legislative Houses within each state of the Union. Through this Order, we aim to establish a framework for efficient governance, empowering local authorities while maintaining allegiance to the Union.

Article I: Establishment of State Legislative Assemblies

Formation: In accordance with the principles of decentralization and regional autonomy, a State Legislative Assembly shall be established within each state of the Union.

Composition: The State Legislative Assembly shall consist of elected representatives from respective constituencies within the state, tasked with legislating on matters pertaining to the welfare, development, and governance of the state.

Powers: The State Legislative Assembly shall possess the authority to enact laws, formulate policies, and oversee administrative functions within the boundaries of the state, subject to the Constitution of TREDT and the laws enacted by the Union Legislature.

Article II: Appointment of Governors

Governor: Each state shall be governed by a Governor appointed by the President of the Union, acting as the executive head of the state government.

Appointment Process: The President shall appoint the Governor with due consideration to competence, integrity, and commitment to the welfare of the state. The appointment shall be ratified by the State Legislative Assembly.

Functions: The Governor shall be responsible for the execution of laws, maintenance of law and order, administration of state affairs, and representation of the state's interests within the Union.

Article III: Duties and Responsibilities

State Legislature: The State Legislative Assembly shall be responsible for enacting laws, scrutinizing the state budget, overseeing state agencies, and representing the interests of their constituents.

Governor: The Governor shall exercise executive powers, implement laws, preside over the state executive council, and act as the ceremonial head of the state.

Union Alignment: All state legislative actions and executive decisions shall align with the Constitution of TREDT and the laws enacted by the Union Legislature.

Article IV: Union Governor Oversight

Supervision: The Union Governor shall oversee the functioning of state governments, ensure compliance with Union laws, and intervene in matters of state governance when necessary to uphold the integrity and unity of the Union.

Coordination: The Union Governor shall serve as a liaison between the Union Government and the state governments, facilitating cooperation, coordination, and harmonization of policies and programs.

Article V: Amendment Process

Amendment: Amendments to this Imperial Order shall require a two-thirds majority vote in both the Union Legislature and the State Legislative Assemblies.

Union Approval: Any amendments must receive the approval of the Union Governor to become effective.

Conclusion

In establishing State Legislative Assemblies and appointing Governors, we, the members of TREDT, reaffirm our commitment to democratic governance, decentralization, and the preservation of our Union. Through collective action and responsible governance at both the Union and state levels, we shall endeavor to realize the aspirations of our citizens and build a prosperous and harmonious society.

Signed,

Naved Khan

President of Union
