Respected Sir,

Subject: Approval of Company Registration Application

We are pleased to inform you that your application for the registration of **Union Minerals & Steel Company** has been successfully approved under the **Company Names and Logo Registration Act of 2024**. After a thorough review of your submission, dated **26th May 2024**, we confirm that all details provided meet the necessary requirements set forth by the **TREDT Trading Association** and the relevant authorities.

Your company, which specialises in mineral extraction, purification, and the production of tools and weapons, has been registered as a **Corporation** with the business address at **Crown Estate, Vizlandia, TREDT SMP**. The company's operations, which span across manufacturing, services, and retail, are recognized as compliant with our guidelines.

Please be advised that your official registration documents will be sent to you shortly. We wish you the best in your future endeavours and look forward to your contributions to the business community in TREDT.

Once again, congratulations on your successful registration.

Yours sincerely,

Soumya D. Das

Secretary
