Respected Sir,

Subject: Approval and Issuance of 500,000 Stocks to Union Minerals & Steel Company (UMSC)

We are pleased to inform you that your application for the issuance of **500,000 stocks** for **Union Minerals & Steel Company (UMSC)** has been formally approved by the **TREDT Union Stock Exchange Committee**. This decision was reached following a detailed review of your submission and compliance with the regulatory framework governing stock issuance and trading under the **TREDT Union Stock Exchange Act**.

The authorised stocks will be made available for trading on the **TREDT Union Stock Exchange (TUSE)** effective immediately. Your company is now listed with an initial issue of 500,000 shares, which will provide significant opportunities for expansion and investment in your mineral extraction, purification, and weaponization ventures.

We strongly advise that you engage with your financial advisors and legal team to ensure a smooth transition into the market. Furthermore, our team will be available to assist you in navigating the listing process and ensuring compliance with all post-issuance reporting requirements.

Yours sincerely,

Ethan Joseph

Secretary General
