

UNION STATE RAILWAYS COMPANY

Preamble:

We, the undersigned, in recognition of the need for efficient and reliable railway transportation services within the TREDT Union, hereby establish the Union State Railways Company.

Article I: Name and Registered Office:

The name of the organization shall be the "Union State Railways Company" (hereinafter referred to as "USRC").

The registered office of the USRC shall be located within the territory of the TREDT SMP, as designated by Head Executive.

Article II: Objectives:

The primary objectives of the USRC shall be to plan, construct, maintain, and operate a comprehensive and efficient railway network within the TREDT SMP.

To provide safe, reliable, and cost-effective transportation services for passengers and freight.

To contribute to the economic development and connectivity of regions within the Union State through the provision of high-quality railway services.

Article III: Ownership and Governance:

The USRC shall be owned jointly by the government's representatives, the shares of ownership and the Head Executive of the Company.

The governance structure shall consist of an Executive Head, Members of the Representative Body and the Union Governor.

The day-to-day operations shall be managed by an Executive Head of the Company.

Article IV: Conclusion:

This registration shall come into effect upon approval by the respective governments of the TREDT Union. Amendments to this document shall require mutual agreement among the member states.

Signatures

Representative of Union Government – TREDT Trading Company (Governor General)

Executive Head of the Company – Soumya D. Das
